Notes

- We prefer a separate monitor engineer on stage. if it's not possible please contact **Matthijs Klinkert** at **+31651031486** or e-mail info@amsterdamfunkorchester.nl
- If there's no monitor engineer we prefer a technician on stage during the show to communicate with front of house engineer.
- We need **9 arm rest-less chairs** for the saxophone and trombone section
- Please make sure that when keys or guitar takes a solo, they get a little extra in the FOH mix
- Please leave the announcement mic on in the FOH mix during the show
