## Notes

- We prefer a separate monitor engineer on stage. if it's not possible please contact **Matthijs Klinkert at +31651031486** or e-mail [info@amsterdamfunkorchestra.nl](mailto:info@amsterdamfunkorchestra.nl)
- If there's no monitor engineer we prefer a technician on stage during the show to communicate with front of house engineer.
- Please make sure that when keys or guitar takes a solo, they get a little extra in the FOH mix
- Please leave the announcement mic on in the FOH mix during the show
